Cardiospermum Halicacabum Flower/Leaf/Vine Extract	89958-27-0	Exempted ¹
Tocopherol	54-28-4	Exempted ¹
Helianthus Annuus (Sunflower) Seed Oil	8001-21-6	Exempted ¹
Rosmarinus Officinalis (Rosemary) Leaf Extract	84604-14-8	Compliant ²

1 No ABS requirement: The ingredient either is not derived from a genetic resource or is a commodity without utilization in the sense of the Protocol.

2 The resource was accessed before October 12th 2014 and is not a matter of the Nagoya Protocol. Certificates of Compliance are only available for products that originate from genetic resources accessed after October 12th 2014.

3 All obligations are met. However, a Certificate of Compliance can only be sent if the provider country has setup a corresponding service. Numerous states currently do not regulate the access of their genetic resources and thus do not provide any documents of compliance.

4 All obligations are met. Internationally Recognized Certificate of Compliance available.

3. Natural Cosmetics

Cosmos	Conform/listed	
Ecocert	Accepted according to self assessment	
NaTrue	Conform/listed	
ISO 16128	Origin	Content in %
	Natural	21.700
	Natural origin	100.000
	Organic	0.000
	Organic origin	0.000

4. Sourcing Ingredients

INCI-PCPC	Continent of Origin	Sourcing Country
Octyldodecanol	Worldwide	
Ribes Nigrum (Black Currant) Seed Oil	Europe	
Helianthus Annuus (Sunflower) Seed Oil Unsaponifiables	Europe	France
Cardiospermum Halicacabum Flower/Leaf/Vine Extract	Europe	Germany
Tocopherol	America, Asia, Europe	
Helianthus Annuus (Sunflower) Seed Oil	Europe	
Rosmarinus Officinalis (Rosemary) Leaf Extract	Europe	

If precisely known, the sourcing countries refer to the countries of origin of the active substances.

However, RAHN reserves the right to source in other countries in case of shortage or quality deviations.

Water is obtained from production site.

If the sourcing country is left blank, it indicates that the supplier has either withheld this information or is unable to specify it to a single country.

5. Raw Material Constituent Information

INCI-PCPC	Description
Octyldodecanol	Octyldodecanol is of plant origin, obtained by guebert reaction from decyl alcohol. Decyl alcohol is obtained from sustainable certified vegetable oil.
Ribes Nigrum (Black Currant) Seed Oil	Ribes Nigrum Seed Oil is of plant origin, obtained by CO2-extraction using natural carbon dioxide.
Helianthus Annuus (Sunflower) Seed Oil Unsaponifiables	Helianthus Annuus Seed Oil Unsaponifiables is of plant origin, obtained by molecular distillation of sunflower seed oil.
Cardiospermum Halicacabum Flower/Leaf/Vine Extract	Cardiospermum Halicacabum Flower/Leaf/Vine Extract is of plant origin, obtained by alcoholic extraction, subsequent drying and dilution with octyldodecanol.
Tocopherol	Tocopherol is of plant origin, obtained of non-GMO soybean oil by different distillation steps.
Helianthus Annuus (Sunflower) Seed Oil	Helianthus Annuus Seed Oil is of plant origin, obtained by pressing of sunflower seeds, Organic Quality.
Rosmarinus Officinalis (Rosemary) Leaf Extract	Rosmarinus Officinalis Leaf Extract is of plant origin, obtained by alcoholic extraction of rosemary leafs and subsequent distillation.

7. Chemical Registration

Registration

To the best of our knowledge as of today there is no restriction. This does not release the customer from the obligation to verify for themselves that the import and use is permitted in the country of destination.

Europe

REACH 1907/2006

The product is in compliance with Regulation (EC) No. 1907/2006 and is free of SVHC's according to the SVHC Candidate List. (Due to our active monitoring, this statement also applies if the date of this data sheet is older than the publication date of the latest SVHC list).

8. Various Statements in alphabetical order

Animal tests	Neither the product nor its ingredients have been tested on animals.
BSE	The product is free from substances of bovine origin.
Carbon dioxide footprint	Not calculated
CITES	The product is composed of ingredients that are not derived from protected species and are therefore compliant with CITES (Convention on International Trade in Endangered Species of Wild Fauna and Flora) provisions.
CMR	The product is free from substances classified as carcinogenic, mutagenic or toxic for reproduction (CMR) of category 1A, 1B or 2 under Part 3 of Annex VI to Regulation (EC) No 1272/2008.
EUDR (EU) 2023/1115	Our product is not listed in Annex I of Regulation (EU) 2023/1115 (EUDR), as its customs codes are not included and it is therefore currently not subject to this regulation.
French Decree	Nr. 2012-232: Our product is not and does not contain any nanomaterials as defined under French Decree No. 2012-232. Nr. 2025-188: Our product has been tested and does not contain any PFAS as defined under French Decree No. 2025-188.
GMO	The product neither contains genetically modified organisms nor ingredients which are produced from genetically modified organisms.
Halal	Certified
Irradiation	Neither the product nor its ingredients were treated with ionising radiation during or after the manufacturing process.
Kosher	The product contains alcohol.
Microplastic	The product does not contain any Microplastic according to Annex XVII to REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL and its amendments (including, but not limited to EU Regulation (EU) 2023/2055).
Mineral oil	No mineral oils were used in manufacture.
Nanomaterial	The product is free from substances defined as nanomaterial under Article 2 Paragraph 1 (k) of Regulation (EC) No. 1223/2009.
Palm oil	The product contains palm or palm kernel oil derivatives. Additional information is provided on Specification and Certificate of Analysis.

Technical Data File

DEFENSIL[®]-PLUS

Page 12 of 13

Production	The manufacturing of the product is in accordance to Cosmetic GMP, i.e. ISO 22716 or equivalent guidelines.
Proposition List 65	The product does not contain any of the substances listed on California's Proposition 65 List, latest release.
US State Bills	The product does not contain any substances listed on: SB 484, SB 546, SB 25, HB 1047, AB-2762 (including AB 496), HB 643, HF 2310.
Vegan	To the best of our knowledge, neither the product nor the constituents or components used in the manufacture of the product contain any material, which is derived from animal / bird / insect or marine animal origin. From this, we conclude that the product is suitable for vegan cosmetics.
VOC	Non-taxable

9. Impurities

Prohibited substances Annex II and restricted substances Annex III of Cosmetic Regulation 1223/2009/EC and its amendments

Due to the manufacturing process and origin of the starting materials, the presence of substances listed in Annex II and III of the Cosmetic Regulation 1223/2009/EC is not to be expected in the product, and, therefore, is not part of our monitoring process for contaminants and residues. Any traces of impurities (if any) are technically unavoidable in good manufacturing practice.

Food Allergens

Does not contain any food Allergens listed to Annex II of the Regulation (EU) No. 1169/2011.

Further impurities in alphabetical order

Further impurities in alphabetical order.

Due to the manufacturing process and origin of the starting materials, the presence of the substances listed below is not to be expected in the product, and, therefore, is not part of our monitoring process for contaminants and residues. Any traces of impurities (if any) are technically unavoidable in good manufacturing practice.

1,4-Dioxane	Endocrine disruptors	Nonylphenol ethoxylate
Aflatoxins A	Ethanolamines	Nitrosamines
Aldehydes BHA	Ethylene glycol	p-Cymene
BHT	Free Amines	Parabens
Bisphenol A	Formaldehyde	Petrochemical ingredients
Conflict minerals	Gluten	Phthalates
Cortisol, hydro-cortisol	Glycol ethers	Polycyclic aromatic hydrocarbons (PAH)
Diethylene Glycol (DEG)	Halogen organic compounds	Polyethylene glycol (PEG)
Dimethyl	Iodine	Siloxanes
Methylphosphonate	Latex	Sulphates
EDTA	Mycotoxine	Terpenes
