# Hello Theresa

## YOUR SKIN REPORT

### Skin Score Matrix

### Your Most Skin Concerns

- Dark Circles
- Eye Bags
- Redness

## Can you tell us more about you?

- Do you have any allergies we should know about?
- On average, how many hours of sleep do you get each night?
- Would you describe your skin as sensitive?
- Do you use exfoliating products (such as scrubs, acids, or retinol)?
- Where are you currently located?

# Proprietary AI Formulation Engine, Built In-House

1

## Proprietary Ingredient Database

Dermatology-grade formulation data sourced from supplier documentation, clinical studies, and real-world formulation expertise.

2

## Proprietary Ingredient Behaviour & Safety Rules Engine

Encodes formulation logic for compatibility, concentration thresholds, pH limits, and sensitive-skin safety.

3

## Skincare-Specific RAG-Based Formulation Engine

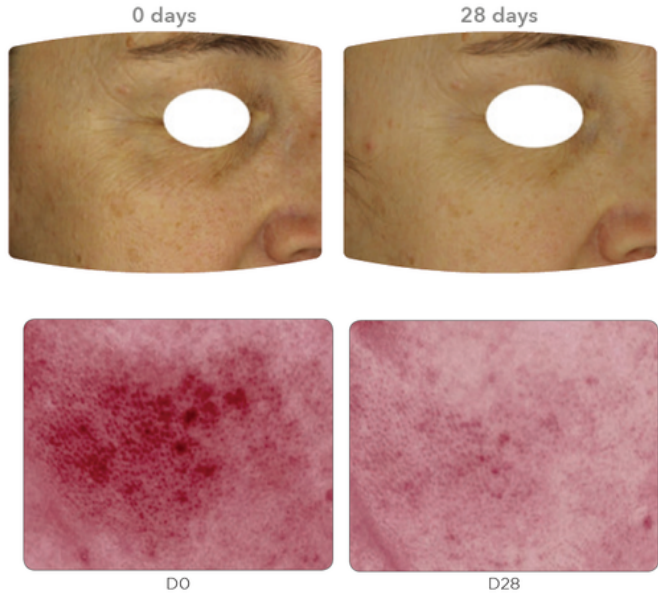

Retrieves only from approved ingredients and precisely matches formulas to skin data — eliminating the potential for hallucinations. Continuously updated with latest intelligence.
